Join the Associate Board of Alameda Health System Foundation (AHSF) for a lively evening at **Servicing ALL: Success from the Start on Friday, March 22, 2019**, at the Wintergarden Atrium in Emeryville. For over 150 years Alameda Health System (AHS) has provided quality healthcare to anyone who needs it—regardless of ability to pay.

Gather: Mingle with change-makers and emerging leaders over cocktails and hors- d'oeuvres to share in our mission of *Investing in Caring, Healing, Teaching, Servicing All*. Proceeds benefit AHS' innovative CenteringPregnancy Program at Highland Hospital.

Get Involved: Please support our effort! Tickets are \$50 and sponsorships start at \$1,000. You can also help by spreading the word and donating gifts-in-kind!

Get There: Friday, March 22, 2019, from 6:30 - 9:30 pm at Wintergarden Atrium, 5858 Horton Street, Emeryville, CA.

CenteringPregnancy is group prenatal care, bringing women with similar due dates out of exam rooms and into a comfortable group setting. Nationwide studies have shown that CenteringPregnancy's program reduces preterm birth rates by up to 47%. As one of only 12 approved CenteringPregnancy sites in California, Highland Hospital's CenteringPregnancy program has demonstrated notable levels of improvement for preterm birth rates.

Current priority needs for CenteringPregnancy include:

- New mother and baby gifts supporting breastfeeding, bonding and safe sleeping habits.
- Start-up costs for a new CenteringPregnancy facility at Hayward Wellness to expand care to a greater number of patients and prevent pre-term deliveries.
- Transportation vouchers to allow patients to reliably and regularly attend vital CenteringPregnancy appointments.

About AHS: Alameda Health System is a world-class integrated public health care system with five hospitals and four wellness centers containing 800 beds. Over 1,000 physicians are employed by AHS. It also houses the East Bay's first and only Adult Level 1 Trauma Center at Highland Hospital.
